## Did you know...

Many of the movies you watch on HBO can't be seen anywhere else on national TV. Smash hits like *Annie* and *Sophie's Choice* and this month's *Tender Mercies* are exclusives on HBO. What's more, star-studded HBO Premiere Films such as *Between Friends* with Elizabeth Taylor and Carol Burnett and April's miniseries *The Far Pavilions* are made especially for HBO. Plus exclusive music, comedy and sports specials, live championship fights and series like *Fraggle Rock*. No wonder we say, "there's no place like HBO."
